

1<sup>st</sup> September 2026

Dear Parents/Carers of Year 11 Students,

As in previous years, we will be introducing a compulsory **Period 6** programme for all Year 11 students to provide additional support for GCSE studies and revision.

From **Monday 7<sup>th</sup> September 2026**, students will be required to attend the following sessions from **3:00pm to 4:00pm**:

- **Monday:** Mathematics
- **Tuesday:** English
- **Wednesday:** Science

These sessions have been carefully planned to support students in consolidating their learning, developing examination skills, and maximising their achievement in their GCSE examinations. The additional curriculum time will enable subject specialists to provide targeted intervention, revision, and exam preparation throughout the academic year.

Attendance at Period 6 is **compulsory for all Year 11 students** and forms an important part of their GCSE programme. Students will therefore be expected to attend all sessions without exception, unless there are exceptional circumstances that have been agreed with the school in advance.

We appreciate your support in ensuring that your child attends these sessions regularly and arrives fully prepared to participate. Should you have any questions regarding the Year 11 Period 6 programme, please do not hesitate to contact the school.

Yours sincerely

Ms R Dhinsa  
Head of Academy
