21 October 2026

Dear Parent/Carer,

RE: Year 11 GCSE Geography Field Trip November 24th 2026

As part of the GCSE Geography course, all students are required to conduct two field studies. We have arranged for our Geography students to complete their first field study looking at Urban regeneration in Birmingham city Centre on Tuesday 24th November 2026.

This field study will prepare our students for paper 3 of their GCSE examination where students will be expected to answer questions based on the studies they complete.

We will conduct the field study during the usual school day, departing at 9.30am and returning by 3pm.

Students will be expected to wear full school uniform, along with a coat in case of cold/wet weather.

Students will need to bring a packed lunch and a drink with them as there will not be an opportunity to purchase any food. Students that are eligible for free school meals will be able to collect this from the canteen before we leave.

As this is a compulsory element of the GCSE course this trip will be free of charge for the students.

Places are subject to the exemplary behaviour of your child as an ambassador of Bournville. Any breach in behaviour prior to the visit may result in your child being removed from the visit.

Please ensure that the school holds the most up-to-date medical information for your child. If any information has changed, contact us as soon as possible via b.lowndesmarsh@bournville.fmat.co.uk Students must bring any medication they may require during the trip, such as asthma inhalers or EpiPens. For health and safety reasons, students who do not have their essential medication with them will be unable to take part in the visit.

If you have any queries, please do not hesitate to contact the school on 0121 475 3881.

Yours sincerely,

Mrs Field
